

Happy Birthday Wishes To A Crush

Wondering what to do? 😕 ...
Wishing your crush on their birthday can be a big deal.

Make this year different, chase away the fear and say it! 😍

It should not be too simple and not feel like you are proposing(Cliche).

The Best way :- Send a Beautiful birthday wishes which feels like a hug with a hint on how you feel about them. 🙄

Wedding Wishes for crush

1) Talking about your crush is more like the You-Know-Who conversation from Harry Potter.

Greeting card for crush

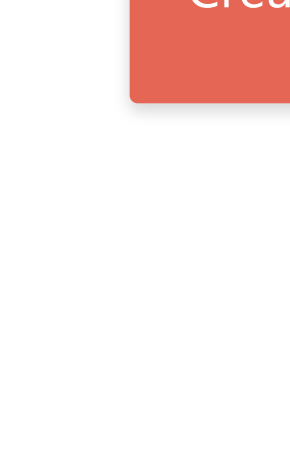

Find here some specially curated greeting cards for your special someone who is still your secret. One peep, a world of possibility opens and who knows what will happen next(sigh!)? Say it with your favorite music that can be added to the card.

This is a lottie file

Opening a greetings card is like opening the window to the giver's heart. 😊

Want to express your feelings in front of her? Check out our Greeting card template.

My Cute Crush

Dear Opposite,
If there had to be an example for "opposites attract", we would be the best. From basic habits to political opinions, we stand on completely different grounds. However, I am a believer of "two halves making a one". I want you to be my better half.
-Your Admirer

Do you live in dreams of your crush?
Do your fantasies revolve around your crush?
Worried about how to wish birthday to your crush?
This card has you completely covered.
